CAREER SUMMARY

I am performance marketing Specialist with over 3 years of experience specializing in Google Ads and Meta Ads.

Throughout my career, I've worked with clients in industries such as **real estate, digital marketing services, interior design and curtain and blinds**. My core expertise includes planning and managing paid advertising campaigns, generating high-quality leads, improving ROAS, and optimizing campaigns based on data.

I'm proficient in GA4, Google Tag Manager, conversion tracking, and performance analysis, which helps me make data-driven decisions and continuously improve campaign results. I enjoy solving marketing challenges, testing new strategies, and working collaboratively to achieve business goals.
